<u>Village Appraisal Questionnaire Comments</u>					
Questionnaire number	Postcode	Question number	Individual	Juvenile (j)	Comments
463	pb	5	a		Do not attend local school so unaware of any after school activities
17	pp	5			Bus service is lacking.
22	pp	5			Does not want to go.
489	pu	5	a		Not aware of any after school activities - maybe info available from village shop
514	pu	5	a		Fees can work out too much per term
113	ql	5	a		Would prefer to send my child to Ingrave School but they do not provide Breakfast Club and early morning care. Also cost of bus to /from St Martins
149	ql	5			Shortest route home from St martins is through the fields which are often muddy and a risk to the children's safety as it is so open. Few people are around to help if anything goes wrong.
211	ql	5			No reliable bus service to venues.
368	ra	5	a		No cycle paths, poor bus service
381	rf	5			Too competitive - only team members are encouraged to attend.

## The Individual's Section: Q7 to Q17

172	pb	10			But do very little till election time then do less when elected. (PC)
127	ql	10	a		Don't know
104	rf	10	a		They have improved over recent years
415	rf	12	a		Some of the proposals being put forward seem to be an unnecessary expense
43	pp	13	a		Don't know
94	rf	13			New to area
550	pu	15			Word of mouth
310	qh	15	a		Usually my neighbour!
340	qh	15			It would be good to support people running groups /activities in the villages by helping with advertising
411	rf	15	a		Word of mouth
427	rf	15	a		Posters and adverts placed on roadside
489	pu	16	a		Would like to use mobile library but unaware of times
306	qh	16	a		We have no local shop or post office
340	qh	16			The mobile library (Middle Road) is terribly underused, how about it going near school at end of school day?
190	ql	16			<b>Used to use the library regularly but times have changed so we cannot make it as it is collecting time from school (3.00pm)</b>
342	qh	17			As long as ambulance waiting time was not increased due to fast response

190	ql	23		On footpath from glow-worm alley to fields.
192	ql	23		<b>I actually object to having a litter bin outside my fence (in Grange Close) people put dog excrement in it, it smells and rubbish is on the ground around it. I would like it removed.</b>
193	ql	23		Cricket Green next to garage-always litter although there is a bin. Dog bin footpath between St Nicholas Grove and Middle Road.
196	ql	23		Teaching people to use dog bins.
198	ql	23		Bins useful only if emptied regularly.
201	ql	23		Footpath between school and Peartrees
208	ql	23		Should be one at the bottom of the footpath in Middle Road.
213	ql	23		Middle Road is popular walk but no dog bins, cricket pitch has one stuck in a corner out of sight.
133	ra	23	a	Should take their rubbish home!
134	ra	23	a	Footpath that passes through St Nicholas Church
283	ra	23	a	Dog bins needed by farmer's fields and footpaths by Common Road
352	ra	23		Along route to school from The Meadows and the footpath leading to the school.
369	ra	23	a	More litter/dog bins required everywhere
373	ra	23	a	Don't think more bins appropriate as people don't seem to use them
98	rf	23	a	Along the Meadows
99	rf	23		Either end of pathways
103	rf	23	a	More dog bins outside home of dog owners - not mine!
260	rf	23		but not always used
378	rf	23	a	Extra bins needed

381	rf	23		More dog bins.
383	rf	23		Access to school field.
391	rf	23		Along pavement areas but only if available to empty them regularly.
399	rf	23		Should be sited closer to the benches
399	rf	23		Dog bins near the reservoir.
401	rf	23	a	The biggest problem is litter
404	rf	23	a	The Meadows and Peartrees, Middle Road, Common road
405	rf	23	a	Church yard path
411	rf	23	a	Only know of 1 dog bin on school field
418	rf	23	a	More dog bins where the litter bins are around the village
423	rf	23	a	Dog bins both ends of this path
425	rf	23	a	Dog bins are a good idea but couldn't we encourage people to dispose of dog waste into hedges away from paths to break down naturally
237	rg	23		Thorndon Forest
238	rg	23		End of Thorndon Gate, Dog Bin
243	rg	23		Don't know -not aware of any locations.
251	rg	23		Near entrance to Thorndon Hall.
255	rg	23		Never seen one.
257	rg	23		Don't know.
259	rg	23		they are not often used.
261	rg	23		increased locations
265	rg	23		no knowledge
500	sb	23	a	no idea not a dog owner

## Planning: Q 24 to Q 28

80	pp	24	a		depends on the location
340	qh	24	b		A few individual houses not large developments
340	qh	24	a		We've got to face our responsibilities to housing shortages in south east. Always poor Basildon has to bail Brentwood out nimbyism
425	rf	24	a		Dependant on the proposal
428	rf	24	a		Not sure what is available
104	rf	25	a		The council do not use the same criteria all the time making it difficult to know what applications are being put in and when
38	pp	26			include museum in village hall
43	pp	26	a		Incorporate a coffee shop, a Bistro, a farm shop and a youth club
55	pp	26	a		Further away from the main road
59	pp	26	a		Ingrave school has a hall large enough for functions
62	pp	26			Consider combining a New hall and a museum.
65	pp	26	a		<b>Relocate museum to old hall, how much is uneconomic?</b>
65	pp	26	b		Relocate museum to old hall.
73	pp	26			If there is an alternative spot for new centre if not replace hall with similar size on same site. Too much going on with Green Man, Cycle Shop and cane shop and computer care all on same small area.
74	pp	26			Joint project with Football Club to refurbish their building and use as a village hall too?
77	pp	26			Replace hall with car park for pub and old stock yard. Parking is already a problem for residents in this part of Herongate due to the overdevelopment of the old stock yard and the Green Man Pub. A new hall would attract more visitors making this worse and causing more disruption to our lives late at night.
88	ql	26	a		Make use of Ingrave Village Hall
91	pp	26	a		Voluntary work by local residents could assist in making project economic
103	rf	26	a		New site meaning church building. Build only on concrete footprint already existing. <b>NOT FIELD NEXT TO SCHOOL!</b>
104	rf	26	a		We could use the money improving and expanding hall in Ingrave and make this the community centre

109	rf	26	a		Replace existing hall on same site but slightly larger
124	ql	26	a		Use Village hall as a museum until unusable, replace hall on a new site
127	ql	26	a		Obviously a multi function hall would be ideal but needs to be central as it should be in walking distance for children to use
129	ql	26	a		If existing hall replaced there is insufficient car parking. If new hall built concerned for its location.
131	ql	26	a		Use Ingrave Church Hall
149	ql	26	c	<b>j</b>	Wild life centre
151	ql	26			Community Centre worries me as it sounds like a large development which may attract undesirable vandalism however although I am unsure of use of this hall if it is used by elderly people a close alternative needs to be found.
153	ql	26			<b>Why is it uneconomic to replace the existing hall? What are the costs involved?</b>
154	ql	26			House village museum.
158	ql	26			Quite interested original idea of a hall and car park on Hillcrest Nursery and between nursery and Ingrave School. It would serve both Ingrave and Herongate and help in the daytime for school parent parking.
175	pb	26			Or use the existing hall refurbished to house the museum.
177	pb	26			Village museum is a great idea. Good source of learning about its past for the village younger generation, creating more respects for the local traditions.
178	pb	26			DO NOT REPLACE why can't all the villages get together or help to renovate it ourselves?
180	pb	26			Take the barn and get rid of the parking and other troubles of these businesses
182	ql	26			<b>Sports tarmac ked area with goals basket ball tennis</b>
185	ql	26			Use Church hall, spend money on Church buildings.
189	ql	26			Replace with community centre on same site
190	ql	26			Greater use of school facilities for out of hours community use, e.g. youth club, table tennis etc.
204	ql	26			Put museum on present hall site and site hall on bigger plot.
206	ql	26			We have four halls in the villages I.e. School, St Andrews, Ingrave and Herongate (football?) Do NOT need any more, these are not used to full potential.
213	ql	26			Community hall would attract same problems with parking / nuisance that keys hall suffers.
222	rg	26			Replace existing with larger on same site.

248	rg	26			Renovate existing building.
254	rg	26			Indifferent.
259	rg	26			Hire room at a local pub if needed, a museum is not necessary Brentwood should cover both villages.
262	rg	26			bigger pub garden
290	qh	26	a		New build should be in keeping with the village
292	qh	26	a		Herongate Village hall already unsafe- health and safety issue?
299	qh	26	a		If new building should be in keeping with village
314	qh	26	a		Hall should be renovated by local tradesmen and craftsmen at a fair price
328	qh	26			What about a national lottery grant.
334	qh	26			My only concerns with replacing the community hall on the existing site - parking may become a problem. But I am all in favour of a community hall.
342	qh	26			use St Nicholas Church hall instead
353	ra	26	a		Difficult, who would maintain and service new community centre if rebuilt
357	ra	26	a	j	A larger hall is required for community events
364	ra	26	a		Extend St Nicholas Hall to become a Community Centre
368	ra	26	a		Youth club
417	rf	26	a		Retain the old original village hall as a museum
425	rf	26	a		Currently not aware what village hall is used for
429	pb	26	a		<b>Build new cricket pavilion and house everything under one roof</b>
468	pb	26	a		Sell the hall for conversion to a dwelling and use funds for new site
476	pb	26	a		Repair Village hall as is part of the character of the village
498	pu	26	a		<b>Ask local builders, tradesmen etc to sponsor and repair the Village Hall and make it a village centre and more usable area for use for children, museum, coffee/tea rooms clubs art exhibitions, car shows etc</b>
500	sb	26	a		would like a community centre for village children but concerned about hooliganism
519	ra	26	a		No houses and/or flats
110	rf	27	a		Cars park fully across some footpaths causing pedestrians to walk in road. Some hedges in both villages have grown over the footpaths restricting true width of path. E.g. From cricket green down to post office along Brentwood Road
129	ql	27	a		Poor due to heavy/fast traffic
178	pb	27			I'm disabled; the pavement outside of the village (Ingrave) leading to Running

					Waters is Very Poor.
180	pb	27			Brentwood Council isn't interested when they are told.
228	rg	27			Cars parking on pavements opposite Meadow Close.
340	qh	27	a		Parts are narrow, poorly cambered and occasionally have cars parked on them. Middle road in particular.
404	rf	27	a		The pavement from Thorndon Gate to Brentwood needs some serious attention. Cars parking on the pavements hindering elderly pedestrians as they have to walk in the road
412	rf	27	a		Entrance to Thorndon Gate
418	rf	27	a		Too narrow and slope towards the road in places
425	rf	27	a		No provision for cyclists
468	pb	27	a		Use of some footpaths difficult due to overhanging hedges/bushes especially cricket green to village shop both sides of the road
491	pu	27	a		Some paths reduced by half by overhanging hedges causing danger to pedestrians
507	pu	27	a		Usually blocked by cars
555	pp	27			Metal barrier in Cricketers Lane may prevent access for wheelchairs.
555	pp	27			Parking on pavements at busy times at Pubs prevents access for wheelchair users, people with prams and small children on bikes all of whom have to go into the road.
17	pp	28			Affordable accommodation for young families, price dictates old community.
19	pp	28			A place for young people to go, a better park maybe! At the moment we are really bored here because there is nothing to do outside.
24	pp	28			Multi purpose Community centre catering for various activities for all ages.
43	pp	28	a		A youth club
57	pp	28	a		Emergency doctor if needed
58	pp	28	a		Doctors surgery
59	pp	28	a		A pharmacy
77	pp	28			Youth Club/ Opportunity.
78	pp	28			Baby clinic and visiting community clinic to draw younger people to Herongate.
92	pp	28	a		Branch surgery for GP's
99	rf	28			When we first moved to the village 20 years ago the clinic was in the village hall, it was also an opportunity to meet with other families.
103	rf	28	a		Retain the villages as they are. If we wanted all these extra facilities we would not have moved here

106	rf	28	a		Affordable starter homes for young people
109	rf	28	a		Visiting community clinic
113	ql	28	a		Something for younger people i.e. 11-15 year olds
120	ql	28	a		Doctors surgery
127	ql	28	a		Visiting community clinic to be situated at new community hall
149	ql	28		j	Somewhere for teenagers to get together.
157	ql	28			Youth club.
158	ql	28			No longer need the visiting clinic but found it very helpful when my family was young also acts as an opportunity to meet other mothers.
185	ql	28			Children's activity centre playground
206	ql	28			Most facilities have been removed through lack of use!
235	rg	28			Off licence.
254	rg	28			Child nursery.
259	rg	28			But not privately owned thank you. (Nursing home and sheltered housing.
262	rg	28			off licence
279	qh	28	a		Improve standards at Heron Court
299	qh	28	a		Adequate parking and parking for the disabled
334	qh	28			My husband and I often walk from the village shop to St Nicholas Church - I have often been concerned that some people allow their hedges to grow over and encroach on to the pavement. This can be very dangerous especially when pushing a pram or wheel chair with other children. I would like to see the hedges being cut back along the main road - for safety reasons.
339	qh	28			Not that I am aware.
340	qh	28			Parent and baby social group. Due to high number of elderly a community clinic for their needs would be valuable
401	rf	28	a		a chiropodist
412	rf	28	a		Public transport!
424	rf	28	a		2 bedroom bungalows with a covenant to stop them being made larger
425	rf	28	a		Chiropodist/ optician even on a mobile basis
425	rf	28	a		Too expensive
428	rf	28	a		Doctors surgery
434	pb	28	a		Nursing home already exists - no more needed

461	pb	28	a		A small children's playground
468	pb	28	a		Doctors surgery
476	pb	28	a		<b>Recycling centre</b>
489	pu	28	a		<b>Youth club - would be willing to help</b>
496	pu	28	a	<b>j</b>	School holiday clubs
505	pu	28	a		Doctors surgery
511	pu	28	a		Somewhere for the children to go
550	pu	28			Youth Club

## Traffic and Transport: Q29 to Q42

462	pb	29	a	Too expensive
465	pb	29	a	Was turned down for St Martins bus!
19	pp	29		School bus not available to me.
22	pp	29		Would prefer to drive my daughter to school when she is old enough
24	pp	29		Children can walk to school.
27	pp	29		too old.
39	pp	29		too old
40	pp	29	a	Have child with special needs to I drive to school
49	pp	29	a	Is quicker to go by car because of all the stops
555	pp	29		The bus is too public, it is too loud and often runs late which means I would arrive late for school frequently.
486	pu	29	a	Cheaper to drive!
491	pu	29	a	Bus from Herongate to Basildon Hospital has been discontinued
512	pu	29	a	Easier to use car with small children and pushchairs
514	pu	29	a	I will be using it for my children when they move onto secondary school
550	pu	29		Cost as not in compulsory education.
239	qh	29		Too expensive, would like to use it.
310	qh	29	a	School bus not advertised
326	qh	29		Child under age.
342	qh	29		Find it easier to share school pick up with friends and bus is quite expensive
113	ql	29	a	Would use public transport more often if more frequent. School bus too expensive
124	ql	29	a	Live in Ingrave told school bus unavailable to us. Would use if could
127	ql	29	a	Bus service does not start early enough to travel to the station
127	ql	29	a	School bus too expensive
138	ql	29	a	Unaware of school bus
139	ql	29	a	Was too expensive
148	ql	29		Don't use school bus because it is too expensive and we can share with two other families.
149	ql	29		Cannot use it on an ad hock part time basis.
151	ql	29	a	Because its too expensive

181	ql	29		School bus too expensive.
185	ql	29		We have four daughters and the bus is too expensive.
189	ql	29		My daughter uses it one way when I had two children it was more economical to drive them to school.
190	ql	29		Very expensive, cheaper to take car and share.
201	ql	29		Expensive and children cant be brought home when doing after school activities.
211	ql	29		School bus too expensive and inflexible.
214	ql	29		Too expensive to use all the time.
133	ra	29	a	Too expensive
355	ra	29	a	More regular frequent public transport from villages to Brentwood is needed
356	ra	29	a	Not offered free bus travel
369	ra	29	a	Wasn't aware it was available
372	ra	29	a	Where is the timetable for the Community bus? School bus timing is not convenient
373	ra	29	a	Children go to school out of the area but no bus service for this through the village
519	ra	29	a	Too expensive
111	rf	29	a	Would use public transport more frequently if more reliable and frequent
392	rf	29		Cost too excessive.
402	rf	29	a	Too expensive
412	rf	29	a	Used to go to Dunton by bus until it was withdrawn
413	rf	29	a	Unaware school bus available
240	rg	29		No kids.
241	rg	29		Don't go to school.
245	rg	29		Too noisy.
59	pp	30	a	Buses are so infrequent, I couldn't stand for long periods waiting for a bus
342	qh	30	b	Would use bus if better service to West Horndon
113	ql	30	a	Buses do not start early enough and limited service to Romford
361	ra	30	a	If the bus between West Horndon and Ingrave would run more frequently and after 6pm Would use it.
373	ra	30	a	Never a bus available at appropriate time. E.g. travel to West Horndon Station
476	pb	31	a	Very poor service, finishes much too early to be of use
314	qh	31	a	Feel it is important to keep 565 bus service for the community
550	pu	32		No access to busses because of our location.

113	ql	32	a	Buses do not run late enough to go out in the evening to Brentwood
189	ql	32		The cost is too much to use regularly into Brentwood from Middle Road to the town it about £2.50 return. If price reduction I certainly would use it often.
367	ra	32	a	No viable public transport at present
476	pb	33	a	All would be good if I didn't have a car
489	pu	33	a	Concerned children have to walk from Green Man Pub
516	pu	33	a	The walk to and from existing bus stops (in main village) is very hard on those who need to use bus especially when returning with heavy shopping
316	qh	33	a	Would like evening services
151	ql	33	c	Trips to shopping or entertainment complexes would be much appreciated by younger people as there is little to do in Brentwood!!!
165	ql	33		If they would at my bungalow or a seat provided at the top of Common Road and take my portable scooter. (Basildon & Tesco)
207	ql	33		<b>Direct bus to Brentwood station / High Street. at rush hours. Rush hour bus from village to St martins and on to Shenfield Station, change 565 second morning bus to run 10 minutes earlier to miss traffic jams.</b>
471	pb	35	a	Lack of parking
477	pb	35	a	Parking a problem
550	pu	35		No busses available so must rely on parents.
127	ql	35	a	Parking a problem
192	ql	35		Doctors arent open late enough for commuters.
210	ql	35		Not enough disable parking.
356	ra	35	a	Parking a problem
109	rf	35	a	Parking at Basildon and Harold Wood hospitals
500	sb	35	a	For our house - yes for the street overall - no
516	pu	36	a	It is a major problem for non drivers to get to either Basildon or Oldchurch Hospitals
127	ql	36	a	Main concern is people who park without consideration to others, ie drives and double parking
357	ra	36	a	Own drive made larger to accommodate cars as street parking not adequate
279	qh	37	a	May need to in later years
314	qh	37	a	May need to use later on
316	qh	37	a	Not required but good to know it is in operation locally
143	ql	37		Think it is a brilliant idea for those in need.
127	ql	38	a	No - have found car sharing unreliable

170	pb	39		Only useful if enforceable.
180	pb	39		Changing the speed limits would make no difference so would waste valuable resources. There is already excessive numbers of street signage.
436	pb	39	a	Reduce speed limit between Ingrave and Running Waters to 50mph
458	pb	39	a	No change needed
461	pb	39	a	Because of amount of traffic would be difficult to change the speed limits
468	pb	39	a	No more speed restrictions please
475	pb	39	a	Act as soon as possible
19	pp	39		Perhaps 20 m.p.h. between Post office and Ingrave school.
43	pp	39	a	Divert all HGV's wherever possible except delivery vehicles and emergency vehicles
53	pp	39	a	The whole of the A128 should be 30mph
57	pp	39	a	No more cameras needed
60	pp	39		40mph Herongate to A127 would make more sense.
62	pp	39		Reduce to 30 mph all through.
64	pp	39		The speed limits are not a problem. The drivers do not heed them which is a problem.
65	pp	39		Don't see speeding as a problem. Cameras slow sufficiently.
78	pp	39		The speed limit through the village should be reduced to 20 MPH.
80	pp	39	a	Prefer 40mph limit between Ingrave and Running Waters
555	pp	39		Please NO!
489	pu	39	a	Fantastic idea for speed camera in Billericay Road always speeding
490	pu	39	a	Would like a speed camera on Billericay Road
498	pu	39	a/b	Install speed display screens and reduce speed limit signs, this has proven to work in London
501	pu	39	a/b	Neither the Council or the Police appear interested
513	pu	39	a	Speed camera in Billericay Road
514	pu	39	a	<b>Bulphan Village has a sign by their school with speed limit and the children's hand prints asking drivers to slow down. I feel this is psychologically effective</b>
515	pu	39	a	No point in speed limit - nobody supervises now!
516	pu	39	a	The present limits are not observed and rarely enforced so increasing the limitations would seem pointless
550	pu	39		Change Ingrave to running waters to 40 mph.
231	qh	39		A camera at Thorndon Gate might keep the speed down to 30mph in the village.50mph from Common Road to Running Waters would be consistent with Herongate to the A127.
272	qh	39	a	No houses so not necessary to enforce speed limit

j

279	qh	39	a	Neither schemes would benefit residents
292	qh	39	a	Long overdue cars do not adhere to speed limit
295	qh	39	a	Schemes already in place are sufficient
303	qh	39	a	Enforce speed limits
309	qh	39	a	No change needed
314	qh	39	a	There are enough restrictions along this stretch of road. These areas are open road and speed restrictions should not apply
316	qh	39	a	Too many accidents on bend towards Running Waters roundabout. We are concerned at the speed of traffic along the A128
322	qh	39		Both area's concerned are not too built up so I don't see the need.
340	qh	39		Money for these schemes may be better spent within the villages
113	ql	39	a	Don't think speed control is needed
119	ql	39	a	Would love to see speed limit reduced on this stretch of road from Ingrave to Running waters
124	ql	39	a	Speed camera is needed at Thorndon Gate
126	ql	39	a	Would prefer to see a weight limit imposed i.e. no lorries/HGV's
127	ql	39	a	Speed cameras are not flexible enough they should be movable so that no one is aware of their location in any one stretch of speed limit
129	ql	39	a	Too much congestion
136	ql	39	a	No issue with current speed limits
139	ql	39	a	Do not feel this would be successfully attained
143	ql	39		The traffic is slow enough already, it is important to let the jams disperse quickly.
148	ql	39		Current speed limit appropriate. Move will lengthen journeys. No No more reduced limits.
149	ql	39		30mph would be great but drivers are unlikely to keep to this limit.
182	ql	39		Enforce 30 with limit from Ingrave to Herongate. Difficult to pullout of Common Road due to speeding.
185	ql	39		No! This is not the issue, stop speeding in the village and reduce speed by the school.
187	ql	39		Totally unnecessary.
189	ql	39		Reduce speed limit between Ingrave Running Waters to 50 mph.
190	ql	39		Children unable to cycle to Brentwood safely.
198	ql	39		If not 30, 40 would be reasonable. The present de restriction is just silly for so short a stretch of road.
199	ql	39		Who drives a 50mph between here and A127? I don't!
206	ql	39		This is academic, most people seem to drive at whatever speed they feel like.

209	ql	39		Would like speed cameras between Middle and Common Road.
210	ql	39		30 Or 40mph would be better. More speed cameras and flashing slow down signs.
348	ra	39		Speed limits are already fine.
351	ra	39		Do not feel this is necessary.
352	ra	39		Ingrave and Herongate need another camera to slow down motorists.
353	ra	39	a	Seems little point not aware of any problems
355	ra	39	a	40mph limit from Ingrave to Running Waters
362	ra	39	a	Leave it alone - not necessary where fields are
363	ra	39	a	Do not think necessary
364	ra	39	a	Make Ingrave to Running Waters 40mph
367	ra	39	a	Lowering speed limit would cause more congestion
368	ra	39	a	Limits probably un enforceable and would cause annoyance to most
369	ra	39	a	Speed limits fine as they are
373	ra	39	a	Doesn't seem likely to help situation drastically
519	ra	39	a	Reduce size of lorries using A128
520	ra	39	a	There are already too many speed restrictions, any more would cause more congestion
98	rf	39	a	Do not allow HGV's along the A128 forcing them to use A127 and A12
103	rf	39	a	Correct application of speed restrictions is good for built up areas 2 other proposals excessive for roads with fields either side of them.
379	rf	39	a	Find speed limits on main roads ok
385	rf	39		Need for the police to be checking traffic at school times.
387	rf	39		Speed bumps should be built in Thorndon Gate, due to excessive speeding cars.
389	rf	39		Please enforce existing speed limits driving through the villages at 30 mph results in tailgating.
391	rf	39		I see no real problem
393	rf	39		30mph. From Brentwood to A127, 40 mph from A127 to Tilbury to match Thurrock.
396	rf	39		50 mph limit could apply from Ingrave to Running waters.
398	rf	39		May be desirable but difficult to enforce.
399	rf	39		no change.
401	rf	39	a	A 20mph limit should be enforced at the Ingrave school on the A128
410	rf	39	a	Seems no point as little housing here and rare pedestrian use

415	rf	39	a	50mph speed limit from A127 to Thurrock has caused hold-ups
417	rf	39	a	Not if the changes are made simply to allow the police to make more money out of the motorist
425	rf	39	a	Enforcement of existing speed limit would be a good start
427	rf	39	a	What resolution!' We have not been informed
428	rf	39	a	Speed limit either side of Ingrave school should be 25mph
433	rf	39	a	Reduce speed limit in Herongate and Ingrave to 20mph
226	rg	39		Most strongly disagree. Just enforce the existing speed limits in residential areas.
230	rg	39		People already slow far below the speed limit.
238	rg	39		Please leave alone
242	rg	39		Current speed restrictions seem to work with no problems. The two speed cameras are very effective.
244	rg	39		Flashing speed limit signs.
249	rg	39		Wait at the bus stop to see excessive speed on road.
250	rg	39		30 MPH limit still being broken regularly
262	rg	39		we think current limits are fine
500	sb	39	a	I find it amazing you are willing to reduce speed to 30mph which i agree with but have increased it to 40mph in Billericay Road

Weight restriction on village roads.

The bus stop on A128 Junction with Middle Road picks up students for St Martins and a local Catholic School. The students are too old to be crossed over by parents and have to cross A128 at what is a very busy and dangerous time of day. I think there should be a safe crossing point somewhere between Middle and Common Road.

A128 bend where stud farm located, corner where Grays blind shop located.

## Business and Employment: Q49 to Q55

327	qh	52			Too old can only work part time.
149	ql	52			Not many places to work in walking distance.
284	rg	52	a		Employment for the over 60's is impossible!
500	sb	52	a		Cost of childcare locally - this is also applicable to working parents. My childcare costs for 1 nursery place and one after school pickup (5 days p.w.) are over £1200 p.m.

## Leisure: Q56 to Q62

317	qh	56	a		Don't know what is available for any age group so cannot comment

165	ql	58		To be able to swim
206	ql	58		Are there any? (disabled sports facilities)
368	ra	58	a	Poor public transport access
404	rf	58	a	Unable to answer properly apart from Bowls club which caters for disabled
168	pb	59		Vandalism seems to be a problem here.
555	pp	59		I would like the area to be improved but not made too huge or out of character with the village.
276	qh	59	a	It's already in superb condition and very well kept
286	qh	59	a	The Playing field DOES NOT belong to the School!
298	qh	59	a	Yes but seems to get destroyed by vandals
340	qh	59		YES!!!! YOU Beauty! There are great cycle paths in the park but no way of accessing them without going on busy roads
129	ql	59	a	The Playing field DOES NOT belong to the School! Should be available for football and games but not for a hall and car parking
206	ql	59		This is a loaded question, a playing field is a field- what else can you do to grass?
373	ra	59	a	Only if it wasn't vandalised
419	rf	59	a	Waste of money due to vandalism
425	rf	59	a	Play area should be improved but not extended
555	pp	60		Chippings / concrete or anything unnatural would be TERRIBLE> I think the park should be kept as natural as possible.

## Free Notes:

434	pb	Notes	a		Volume of traffic through villages that makes walking feel dangerous and uncomfortable. Houses on Brentwood Road put up with substantial noise nuisance. Police constantly speed through the villages. A speed of 20mph in some places would help
458	pb	Notes	a		The amount of traffic coming through the village should be reduced, restriction on parking/loading in rush hours
460	pb	Notes	a		Main concern is constant use of Thorndon Approach for parking, turning by footballers, cricketers, lazy mum's, and driving instructors
475	pb	Notes	a		Changes to our villages must be tempered with common sense which we see little of in today's society
476	pb	Notes	a		Village would be greatly improved if heavy traffic flow reduced
55	pp	Notes	a		Very well thought out, great way for people to get their thoughts across
80	pp	Notes	a		Very concerned about trees and hedges being removed. This should need consent especially in conservation areas
92	pp	Notes	a		Why do we need new Village signs? Village stores needs updating ie organic local produce (by ordering service), coffee shop, more variety of fresh breads and cakes, organic milk. Need a village youth club
482	pu	Notes	a		Concern for speed along Billericay Road, and unsavoury characters that live near Old Dog pub
490	pu	Notes	a	<b>j</b>	Cars speeding in Billericay Road - over 70mph
498	pu	Notes			Traffic calming scheme should be placed in middle of Billericay Road between the two groups of houses by the field away from any residential properties
515	pu	Notes			Majority of local people feel anywhere outside Ingrave are forgotten people of village. As for the speed of vehicles along Billericay road, they often exceed 70mph our lives are blighted. Please help the people of Herongate Tye
275	qh	notes	a		Concerns regarding teenagers riding scooters on school playing field and excessive littering
298	qh	Notes	a		Concerned with building/parking in the village namely flats erected where Ingrave Post Office was and also house dangerously near road corner of Whitby Avenue, more houses more parking required
299	qh	Notes	a		Parking a constant problem, constant vandalism, village councillor very unhelpful when approached
304	qh	Notes	a		Cars should NOT be allowed to park on the pavement by the Ingrave shops

310	qh	notes	a		Had to ask a neighbour for this questionnaire as did another neighbour if 1 out of 3 houses didn't get a questionnaire delivered this will affect the statistics!
314	qh	Notes	a		Thank you for your efforts with the questionnaire - very grateful to those who give up their time to try and make village life better
118	ql	Notes	a		The only few things that spoil the villages are HGV's passing through the villages, the speed of traffic passing through the villages and some narrow pavements
124	ql	Notes	a		We need a newsagent/general store in Ingrave
127	ql	Notes	a		Major concern with the planning authorizations which are being granted in the villages. No consideration is given to how some peoples extensions affect other people. All properties should retain a metre gap from their boundary even at ground level not just 1st floor. Access onto A128 is a concern. perhaps have some mini roundabouts
139	ql	Notes	a		Are mobile phone masts included in 'planning'.
134	ra	Notes	a		The village signs should NOT be changed. Children's play area is in need of improvement
283	ra	Notes	a		Grass at Village School playing field not cut regularly and feel it is neglected by Brentwood Council
357	ra	Notes	a		Would have appreciated more time to complete questionnaire, could it not have been done online?
359	ra	Notes	a		Enjoy living in Ingrave but better shopping provisions would be good.
370	ra	Notes	a		The village is often littered with red and yellow recycling boxes left empty permanently in front gardens and garden rubbish put out days before the collection date
372	ra	Notes	a		Grateful for the opportunity to have a voice
373	ra	Notes	a		<b>The Appraisal is grant funded by whom????? The Taxpayer presumably</b>
98	rf	Notes	a		Villages should be preserved as they are with no further expansion I consider myself lucky to be a resident
103	rf	Notes	a		There seems to be an underlying theme of concrete development as an improvement for the villages. It is a lovely environment as it is serious consideration should be given to the governments policy of 'extended use' of schools out of school hours to the wider community and fulfilling the underused community potential of the churches. Changes need to be appropriate, Ingrave's Coat of Arms needs to be changed to English, even the Royal Family adopted the English language in 1399. Everyone ought to understand the coat of arms when entering Ingrave
109	rf	Notes	a		Questionnaire too long
375	rf	Notes	a		In America on entering townships, there is a sign with the name of the town and its population, which is not done in this country at present, perhaps Ingrave/Herongate

					could start a trend! Perhaps Ingrave School children could be involved in the working out of population figures and the changing of the sign once a year taking into account births, deaths moves etc
377	rf	Notes	a		I think the introduction of the Parish Council has put yet another layer of wasteful bureaucracy between the householder and the borough council which increases resolution time to problems
401	rf	Notes	a		Would like to see more amenities for teenagers
404	rf	Notes	a		A 'keep left ' sign is needed at the junction of Thorndon gate and A128. The school run in the Meadows is causing concern because of speed and the parking of increasingly large vehicles and inconsiderate drivers from outside the village
412	rf	Notes	a		<b>Herongate and Ingrave offer no services to the community, we should be able to walk to facilities. Villages require shops, doctors, coffee shop etc.</b>
413	rf	Notes	a		Please remove 'no cycling signs' and allow cyclists access to Thorndon from Thorndon Gate. Enforce clamp down on dogs mess
415	rf	Notes	a		I think the present village signs are lovely, we don't need change for the sake of it.
417	rf	Notes	a		The parking restrictions at Thorndon Park make it difficult for visitors to use the park. The mobile speed camera activity is disproportionate to the problem
418	rf	Notes	a		There is a sheer drop at Herongate end of footpath 42 which is extremely dangerous. Thorndon Park Golf club need to be advised to cut back their shrubs from the footpaths.
419	rf	Notes	a		In considering improving the play facilities in the Village playing field, or building any kind of complex upon it, consideration should be given to the vandalism that goes on in Ingrave. Fences along footpath 162 are regularly kicked in and play equipment broken
423	rf	Notes	a		Good questionnaire!
500	sb	Notes	a		##### ####
77	pp	other			Parking in the area around the Green Man is getting worse and causing problems for residents and disturbance as cars manoeuvre close to houses. This has been made worse by the overdevelopment of the Old Stock Yard which currently contains 3 separate businesses. There is also the Pub and Hall both of which attract cars but neither of which have car parks. Since charging for parking at Thorndon Park some people now park in the village and any improvement to access off Park Lane would make this worse. A new hall would make this worse and would inevitably have to be available for wedding receptions etc which would cause additional disturbance often late in the evening. Consideration should be given to making a car park on the site for the hall or in the Pub garden.
340	qh	other	a		Cycle paths, access to park. Provide more for teenagers than cricket benches, believe it or

					not the kids are alright if a bit spotty and poorly dressed
340	qh	other	b		We are increasingly concerned about pollution from the farm behind houses in Ingrave, almost all the young children living nearby experience summer night time coughing. Is there a role for the PC to ask questions or the people monitoring pesticide use?
140	ql	other			Not an enviable task collating these answers for everybody, well done to all concerned.
143	ql	other			Well done for doing the survey. I hope that the results allow a good strategy to be created and published for the inhabitants of both villages.
149	ql	other			There have been many crashes pulling out of Common Road. The speed limit needs to be reduced earlier. +
151	ql	other	a		Thank you to all involved in this
155	ql	other			Due to only moving her on 18/05/06 there were many questions we could not answer; hopefully next year we will be in a better position Apologies.
165	ql	other			<b>Would like to see the pavements from Common Road to the Post Office improved on the Post Office side improved and hedges cut back.</b> I think we had a better service from the Preservation Society which was free than we have from the Parish Council which we have to pay for. I was not advised about a Parish Council being formed.
189	ql	other			As a car driver I am able to manage to use local Borough facilities but my children who are teenagers have no where locally to meet their friends without belonging to football or cricket clubs. I would love to see provision for teenagers in the form of a shelter with bins on the cricket ground or playing fields just somewhere they can be together that is safe and lit.
348	ra	other	a		Regrettably neither my wife nor I could understand how the questionnaires work, therefore we went so far and gave up.
348	ra	other	b		Ignore the above, we made a effort to fill it out but we don't think it's a very good format.
351	ra	other			Get the grave yard extended.
224	rg	other	a		Dogs should be kept on leads in the park.
229	rg	other			Can we get the Green Man converted back to a village pub?
237	rg	other			Access to 128 from Thorndon Gate very dangerous if turning right to the village. Hedge needs to be kept trimmed. We thank you for the opportunity to express our views.
238	rg	other			##### ####
198	ql	other			Is the PC able to press BBC for more regular maintenance of storm drains in the roads? I have noticed several e.g. along A128 which do not appear to have been cleared since last autumn.
221	rg	other			We haven't been able to complete this form fully. Although we have been in Ingrave for 10 years we rarely and have not had the time to familiarize with events in the area, the level

				of crime etc or the school.
17	pp	other comments		Affordable accommodation for young families, price dictates old community.
19	pp	other comments		565 We have huge transport problems. I have two children who attend the grammar school in Chelmsford. The 565 does not always turn up in the morning ( approx 7:10 am) so I have to take them to the station. My son who is 17 has to buy an adult bus ticket to get to Brentwood before he catches the train to Shenfield then to Chelmsford and a weekly ticket works out a lot cheaper for an adult but he cannot buy this on the 565 so he has to pay for a n additional single (or rather, we his parents have to pay which i find ridiculous)and then he buys his weekly in Brentwood. You can imagine when the 565 dose not even turn up the next morning and i have to commute the opposite direction to take my children to school - i am far from happy!
20	pp	other comments		Would use the mobile library if I knew when it was here and where.
23	pp	other comments		It is worrying how many facilities seem to be in place , yet are not known about.
27	pp	other comments		I don't think there is a village Bobby.
27	pp	other comments		not prepared to take part in scheme to car share.
34	pp	other comments		Although it is on the ribbon road to Brentwood, I enjoy living in Herongate. Since being newly widowed I have found many people to be kind, thoughtful and inclusive.
38	pp	other comments		do not wish to see the provision for a basketball court on Ingrave school playing field
39	pp	other comments		this survey is symptomatic of the busy body society in which now live sponsored by successive no risk governments. Individuals live where they where they do for a variety of reasons and make their entertainment where they can. the village should sponsors clean streets, peaceful neighbours and low crime.
231	qh	other comments		My house used to be in the neighbourhood watch. Parish newsletter is very infrequent. Not able to attend the meeting for Herongate and Ingrave Parish Council. If I am unable to drive I have to cancel my medical appointments etc.
325	qh	other comments		The play area at the school fields is in need of attention. Facilities have been allowed to decline.
326	qh	other comments		from question 24 re new developments, yes to single residencies but no to multi developments.
327	qh	other comments		As a newly retired person, I'm not sure of the activities available to me in the parish. Use the local hair dressers.
328	qh	other comments		Disappointed that the number of pieces of equipment on the play area at the school playing field have reduced and have not been replaced.
334	qh	other comments		I have seen the mobile library and I was somehow under the impression that it was for housebound or elderly people. would be happy to share travel, As a young mother i was involved in the school run to

				St Martins and this worked very well.
339	qh	other comments		I think my dwelling is in the neighbourhood watch I Have a problem with the early morning bus time table. No need at present for social car scheme.
260	rf	other comments		this questionnaire is an excellent initiative. I look forward to seeing the results.
380	rf	other comments		I am unable to assist with neighbour watch due to health problems.
382	rf	other comments		Parking is a problem at medical facilities. i.e. Hospitals etc.
382	rf	other comments		Dependant on the task may be able to help in the Neighbourhood watch.
388	rf	other comments		Bus needs to be more frequent and runs on into the evening.
389	rf	other comments		"Dropped kerbs" are good but in some cases they lead to a puddle as at the Herongate end of Cricket green.
389	rf	other comments		I go by car to medical appointments, but the disabled parking at avenue road surgery is inadequate.
391	rf	other comments		Given the concentration of recycling - why are the "collectors" of the red and yellow boxes allowed to throw them once emptied, resulting in said boxes end up all over the road, other peoples gardens etc. Also - at the Coxtie Green centre, why oh why are no large vehicles like jeeps or vans allowed - as long as there is a restriction for trade waste. This seems particularly potty.
397	rf	other comments		worried that any improvements in the Ingrave Johnstone School playing fields will be vandalized.
240	rg	other comments		Don't work, train or study, car is for shopping. Traffic jams on the A128 to Brentwood caused I think largely by a ludicrous construction of mini roundabouts and pedestrian-controlled traffic lights in Brentwood centre that backs up to Ingrave.
240	rg	other comments		the police seem to concentrate on traffic offences, rather than offences against persons and property.
249	rg	other comments		In my daughters home village of Steeple -Bumpstead: Fast response team saved two lives recently. Thought the playing fields belonged to the village not the school!!
255	rg	other comments		More should be done in regards to recycling. Plastic bottles, cardboard ,tin cans etc. more bins or bags given for people in households to separate waste for appropriate disposal.
259	rg	other comments		Traffic/transport A great deal of advancement could be obtained if the Brentwood council were to run their own Bus service on a minimal profit-making basis local Brentwood area only.
17	pp			Property prices dictate demographics will be older community.
17	pp			In 12 months we experienced 1 break in, 1 theft from outside the house, 1 car vandalised.
17	pp			Brentwood police effective coverage of the area is in our opinion lacking and inactions they took were important.

19	pp				Children would benefit from a circular route i.e. Herongate -Shenfield-Brentwood.
19	pp				Would like cars not to park in Cricketers lane.
69	pp				The area should only be improved by preservation of how the village is now not by change as this would only have a negative effect. Keep Herongate and Ingrave just as it is.

148	ql		b		The only time you ever see a police officer is with a speed camera. Never on patrol and certainly not trying to be a member of the community.
149	ql		d	<b>j</b>	Close to work and schools
149	ql		d	<b>j</b>	More Litter Bins.
149	ql			<b>j</b>	You should put in a speed camera.
149	ql		d	<b>j</b>	Safe crossing point for school children between Middle and Common Road.
149	ql				
151	ql		b		Because its too expensive.
151	ql		b		Who is this?
151	ql		d		Who and what is this?
151	ql		c		Concern is appreciated.
190	ql				Cycle access to Thorndon required. Safe cycle route to Brentwood town.
190	ql				Expensive flexibility to share cars with neighbours.
206	ql		c		<b>Have tried to use the footpaths at Button Farm - very congested, I suspect this suits the farmer!</b>
207	ql				
211	ql		b		Never seen the community officer
211	ql			<b>j</b>	Never seen the community officer
