

## **HOW TO REPORT DAMAGE OR OBSTRUCTIONS TO PUBLIC RIGHT OF WAYS AND BRIDLEWAYS.**

The Parish Council are fully aware of what its responsibilities are on reporting and protecting local footpaths, public Right of Ways, and bridleways. We have been proactive over the years to maintain this stance.

To enable us to continue with up to date information about the pathways we rely immensely on public support. However, it appears some residents are not aware of how to report any issues they may come across.

If you come across damage to bridges/crossings, blocked access, dangerous conditions underfoot, then please report to the following officer in Essex County Council.

- **Laura Dunnell, Rights of Way Inspector, Essex Highways, 01245 342836,**

- **Or directly to Essex County Council Highways Dept.**
